

THE SPIRITUAL WARRIORS

MUSIC THAT COMES FROM THE DRUM

World music inspired by indigenous stories and reggae rhythms.

The Spiritual Warriors are an Indigenous music group that was formed in 2007 in Lil'wat Nation, Mount Currie BC. Formerly known as Kalan Wi, they have won 2 Native American Music Awards for their album Celebrate in 2013 and in 2019 for the Ancestors album. They use the language and chanting styles of the Lil'wat/St'at'imc people to fuse with reggae and rock to create contemporary Indigenous world music.
